This is a space created by young people for young people! This is about you having an active role in your own community. Taking your views and ideas to the people all the way to the top of Manchester City Council. **This is youth voice in action!**

Come along and see what it is all about.

Under the United Nations Right of the Child all Children and young people have a 'right' to have their say (Article 12).

Young people living or going to school in Manchester. You must be aged 11 – 19 years old (25 SEND or/and Care leaver)
